

## Nominate a local school and WIN them a raised bed, compost, plants and seeds!

Growing veg in a school garden is a great way to get children engaging with nature, trying new foods and thinking about the environmental impact of what they eat.

To celebrate National Children's Gardening Week, our Gravesend, Staplehurst and Crowborough centres will be giving away to one local school, a fantastic Grow Your Own Garden prize!

The prize includes a Tom Chambers wooden Grow Your Own Planter, Levington Multi-Purpose Peat Free Compost plus a selection of fruit & vegetable plants and seeds (up to the value of £30).

To enter all you need to do is

1. Visit your local Millbrook Garden Centre's Facebook Page:

Gravesend - @MillbrookGardenCentreGravesend

Staplehurst - @MillbrookGardenCentreStaplehurst

Crowborough - @MillbrookGC

2. Find the 'Win a raised bed competition' page (under Events).

3. Nominate your chosen school in the comments.

The competition will close on Sunday 6<sup>th</sup> of June. One lucky winner per centre will be randomly selected on Monday 7<sup>th</sup> June! You can only enter once but please feel free to share - more nominations for your chosen school means a better chance of your school winning the prize! Ts&Cs apply.

Good luck!
