

Win a grow your own garden for your school!

Nominate a local school and WIN them a Grow Your Own Garden prize!

Growing veg in a school garden is a great way to get children engaging with nature, trying new foods and thinking about the environmental impact of what they eat.

To celebrate National Children's Gardening Week (28th May to 5th June 2022), both our Gravesend and Staplehurst centres will be giving away to one local school, a fantastic Grow Your Own Garden prize

The prize includes 3 Woodlodge Box Planters, 12 bags of New Horizon Peat Free Compost plus a selection of plants and seeds (up to the value of £30). The total prize value is worth over £230!

To enter all you need to do is visit your local Millbrook Facebook page – one of the following:

The competition will close on Sunday 5th of June. One lucky winner per centre will be randomly selected on Monday 6th June! Remember to follow our page to ensure you don't miss out on our winner announcements!

You can only enter once but please feel free to share the competition with your friends and family - more nominations for your chosen school means a better chance of your school winning the prize! Terms and Conditions apply.
